

# Roof Renovation 2012

Property: 12 Example Road, Sampleton

Contractor: Sampleton Roofing Ltd

Completed: 21 September 2012

## 1. Work done

- The original concrete tiles and battens were removed.
- The old underlay was removed and a new roof underlay was installed over the whole roof.
- New counter-battens and battens were fitted.
- The new roof covering is profiled steel sheet, 0.5 mm, coated, dark grey.
- New eaves gutters, downpipes and snow guards were installed.

## 2. Trusses

The trusses were checked while the roof was open. They were sound and needed no repairs.
